6th July 2009

Dear Parents,

As part of a linkages program with Richmond High School, Year 6 will be joining students from Castlereagh Public School and travelling to RHS for a 4 week course in the early part of next term. These Science lessons will support the unit “Switched On” where students will engage in practical activities, including constructing electric circuits.

Although your child may not be attending Richmond High, it is an opportunity for Year 6 students to familiarise themselves with the workings of a Science laboratory in a High School environment.

We will be catching the bus at approx. 12.15pm, travelling to Castlereagh to pick up their students and returning to school by no later than 3.15pm.

The dates scheduled for these activities are: **Tuesday 4th August (Week 2)**
Tuesday 11th August (Week 3)
Tuesday 18th August (Week 4); and
Tuesday 25th August (Week 5).

As this is a part of the Science curriculum for Stage 3, we are expecting **all** Year 6 students to attend.

We are asking for a contribution of \$2/week to help us pay for the cost of the bus.

If you have any questions in regard to these lessons, could you please contact me as soon as possible.

Thankyou for your continued support,

Melissa Lavender

.....

I give permission for my childto attend the Science lessons at Richmond High School in Weeks 2 – 5 of Term 3. I understand that the travel is by bus and that students may not arrive back to school until 3.15pm.

I am aware that the cost is \$2/week.
