Already more than half way through the term already… the year is now in full swing!

Looking forward to our Annual General Meeting on Friday 13th March at 2pm in the P&C room. Hope to see everyone there to vote in the new executive team for 2015.

This meeting will see the current P&C Executive vacate positions, and a new P&C will be elected. Please mark it on your calendars. It would be great to see some new faces being involved in the P&C. The more we have on board, the more variety and productivity we have in providing for the students, parents, staff and community of Londonderry Public School.

I’ve really enjoyed working with everyone and meeting more of the staff, parents and community. Thanking the P&C team for the opportunity of being their President in 2014. Most of all thanking everyone for your support and patience while I learnt all about the P&C and the roles involved as I was a totally new member last year. It has been great to see some new faces come on board recently- the team is amazing and we love having new ideas and more hands to help too!… no-one is expected to make a full time role of their involvement… we only ask everyone does the best they can, when they can as we share the responsibilities.

Meanwhile we are being very busy bees…
